Guaranteed: Accommodation with single room and internet, food money, pocket money, CIGNA insurance, language course, travel allowance, mentor and supervisor

THE PROJECT

The Solidarity Corps Youth for Nature Conservation in Alzira will focus on the lead of on-site conservation actions for young Europeans in Alzira region.

The city and its surrounding benefit from relevant natural parks and sites (High hills, River side natural space). The volunteer will help the local public team from the city by bringing help on new point of view for the actions which need and/or should be needed.

For the volunteer of solidarity corps interested in working in the future, in the field of **nature conservation** this project could be a great experience where he could gain a lot of competences. In the meanwhile, our organization stays open to any profile that is ready and motivated to work on environmental actions.

YOUR MISSION

Among the main missions who will be led by the volunteers are:

- Act as an active agent of communication on good practices of the public visitors in the green spaces
- Promote *eco-citizenship*
- Help and orientate the visitors in the nature reserve
- travel across a defined green space and inform the coordinator about any incident or irregularities, cleaning of green areas in Alzira, gardening in the monastery of La Murta
- help the environmental department in it's daily projects preparation and management.
- By helping the local actors as a solidarity corps, young people ready to take concrete actions will have direct and indirect impacts on natural sites.

By helping the local actors as a solidarity corps, young people ready to take concrete actions will have direct and indirect impacts on natural sites.

PHYSICAL CONDITION

As the some missions are involving on-site outdoor trips and giving the distance from the accommodation inside the city to the natural site (appr. 35min biking, the volunteer will need to climb up a hill), **the volunteer should be in a good physical condition and take it into consideration the context of the project. You may spend 4-5 hours hiking per day.**

VOLUNTEER PROFILE

We are looking for young volunteer that are interested in outdoor activities. They should be open-minded and enthusiastic. An interest in nature conservation and environmental care will be appreciated. A **basic level of Spanish** and **intermediate English** are asked.

LANGUAGE COURSES

The volunteers will benefit from Spanish courses throughout the volunteering.

ACCOMMODATION, FOOD

Accommodation costs are fully covered by our organization. The volunteers will have to share one flat in Alzira, with individual bedrooms and access to all the facilities (fully equipped kitchen, washing machine, TV, WiFi, etc).

Every month volunteers will receive money for food (180€) and pocket money (150€).

The hosting organization also provides 3 bikes for volunteers.

TRAVEL EXPENSES AND INSURANCE

Your tickets will be reimbursed according to Erasmus+ rules after arrival to Alzira and after receiving all copies of boarding passes and other tickets.

Volunteers are covered by CIGNA insurance that is arranged by sending organization.
